

# FAR NORTHEAST WARRIORS ATHLETIC PROGRAM

## WHAT'S NEW

### FAMILYID

We are excited to announce that we are now offering the convenience of online registration through a partner company, FamilyID <https://www.familyid.com/programs/fne-2016-fall-athletic-registration>. FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for athletics, and helps us to be more administratively efficient and environmentally responsible. When you register through Family ID, the system keeps track of your information in your FamilyID profile so you enter your information only once for multiple uses, multiple family members and multiple programs.

### RSCHOOL

#### What is rSchool?

rSchool is a web based calendar of athletics and activities held throughout the Far Northeast Area. The link to access the calendar is [www.dpscalendars.org](http://www.dpscalendars.org). Once you are familiar with the calendar, most find it easy to navigate and find the information that you need. If you need more information or would like to find out some advance features of rSchool, a Parent's Guide is available in the Athletic Office. Give it a try and if you have any questions, please call Athletics at 720-423-5849.

#### How is it used for the Far Northeast Area?

rSchool is our district calendar as well as the activity scheduler. Events that are going on throughout our area are entered into the calendar and the viewer has the option of viewing all the different activities or specific events.

#### How does rSchool notify when there is a change to the schedule?

rSchool uses email or txt.msg to notify changes to the calendar. This is really helpful during the spring season when schedules change quickly without notice. Signing up is easy, just visit the calendar to sign up.

### ELIGIBILITY

Eligibility will be pulled every Thursday as a soft pull for coaches information. Final eligibility will be pulled every Friday at noon. Friday's eligibility is final. Teachers will need to post eligibility by close of business on Thursday.
